WORK EXPERIENCE

Frontend Engineer

Mar 2025 - Present

Workiman (Remote)

- Developed and maintained **SEO-optimized**, high-performance web applications using **Next.js**, **TypeScript**, and **Tailwind CSS**, improving page load speed and accessibility scores.
- Implemented scalable state management with **Zustand** and **React Query**, enhancing performance and ensuring real-time data synchronization.
- Integrated secure **RESTful APIs** and optimized API requests to reduce latency and improve frontend responsiveness.
- Collaborated with UI/UX and backend teams to deliver visually consistent, user-centered interfaces that increased engagement and retention.
- Improved **Core Web Vitals** and overall **frontend architecture**, driving better search visibility and smoother user experiences across devices.

Frontend Developer

Oct 2023 - May 2024

UHunger (Remote)

- Leading the development of responsive, dynamic web applications for a food delivery platform, ensuring optimal user experience across devices.
- Integrated multiple APIs, following best practices for performance and security.
- Collaborated with designers and backend developers, reducing load times and increasing user engagement through effective UI/UX solutions.

Frontend Engineer Intern

Mar 2023 - Sep 2023

Edves Limited, Lagos, Nigeria (Hybrid)

- Worked with cross-functional teams on modules like Admission Manager, Accounting Module, and Subscription Manager.
- Enhanced usability, functionality, and aesthetics of the modules, focusing on user experience.
- Participated in design discussions, project planning, and code reviews.

EXTRACURRICULAR ACTIVITIES

Frontend Developer

May 2024 – Present

Visionnaire Leadership Academy (Remote)

- Contributed to creating a user-friendly platform that showcases the organization's mission, programs, and events for improved online visibility.

Frontend Developer Internship

Sep 2023 – Oct 2023

HNGx (Remote)

- Advanced to the finalist stage of the 10-stage internship program.
- Demonstrated problem-solving skills, adaptability, and collaboration in a fast-paced, competitive environment.
